

# Digital Combo Full Wrap Mug Attachment

Instant Plug-In attachment for your DC Digital Combo Press!

Finally, in response to overwhelming customer request, the Full-Wrap mug attachment for the Digital Combo press is available! This mug attachment uses the exact same DK3 heater band that has proven to be the most reliable and longest lasting flexible mug heater element in the industry.

The same DK3-style pressure adjustability is available for printing all standard cylindrical-shaped sublimation products on the market, with a printable height of 5" and full wrap coverage just like the DK3. At only \$390, the DC mug attachment instantly turns your DC16 Combo press into a DK3 for about half the price!
